

# Asset Management Improvement Partnership (AMIP)

Footprint to a better future

Tuesday 6 June 2023  
10.30am – 5pm

Museum of London Docklands

## 1 Overview

- 1.1 The second AMIP meeting of 2023 will be held on Tuesday 6 June 2023 between 11:00 and 17:00, with refreshments and networking from 10:30.
- 1.2 The focus of the meeting will be on decarbonisation and sustainability within the social housing sector and explore what can be done within the sector to meet net-zero.
- 1.3 Delegates will be able to explore the two floors of the museum during all breaks. There will also be a private lunchtime talk from Peter Stone, a historian and author of *The History of the Port of London*.
- 1.4 All delegates will receive an automatic invitation to the [Pretium](#) Summer Canapés and Drinks Reception, which is taking place in the same venue, between 6pm – 8pm.
- 1.5 All AMIP attendees will be invited to the adjacent Munich Cricket Club from 5pm – 6pm to experience authentic Bavarian food and drinks prior to the [Pretium](#) Summer Canapés and Drinks Reception.
- 1.6 The meeting has been certified by the CPD as structured appropriately for educational value and six hours is available for attendees.

## 2 Venue Information

- 2.1 The meeting will be held in the Riverside Room in the Museum of London Docklands, No.1 Warehouse, West India Quay, London E14 4AL. For more details, visit: [Plan your visit – Getting here | Museum of London Docklands](#)
- 2.2 The nearest Underground station is Canary Wharf on the Elizabeth, Jubilee and DLR Underground line. A number of bus routes serve the venue – D3, D7, D8, 277, D6, 15, 115, 135. To plan your journey, or to check timetables, please visit the TfL website: [Keeping London moving - Transport for London \(tfl.gov.uk\)](#)
- 2.3 For further information regarding accessibility at the Museum of London Docklands, please visit the following website: [Accessibility and facilities | Museum of London Docklands](#)
- 2.4 The Museum of London Docklands is helping to play its part in sustainability. 0% of their waste goes to landfill and now only use sustainable and reusable promotional material. They are changing all building lights to LED and the building has Voltage Optimisation in place to contribute to a reduction in energy use.
